

Hospital at Home (HaH) Fast Facts California

- **Hospitals with Federal Approval for HaH-20:** 9 Adventist Health locations, UCSD, Loma Linda University Medical Center, UCI, Sharp Grossmont Hospital, Scripps Memorial Hospital Encinitas, 2 Palomar Health locations, Hoag Hospital, UCSF, Cedars-Sinai Hospital System, USC
- **State Approval for HaH:** Prohibited due to belief by California Department of Public Health that it cannot regulate hospitals providing hospital at home care after the end of the public health emergency, without a change in legislation.
- **State Medicaid Coverage of HaH:** Covered
- **Nurses & Paramedics Providing In-home Care:** Permitted
- **How Can You Help?** Support legislation expected next year to create a permanent HaH program in California.
- **How Can We Help?** We are pleased to offer virtual or in-person demonstrations for relevant stakeholders. Please contact extendhospitalathome@gmail.com for more information.
